

University "Prof. Dr. Assen Zlatarov" - Burgas

I confirm!

Chancellor:

(Prof. Dr M. Mitkova)

Curriculum for acquiring higher education in the specialty "Medicine" Educational and qualification degree "Master"

Field of higher education: 7. Health care and sports
Speciality: 7.1. Medicine
Professional qualification: "physician"- Doctor of Medicine (M.D.)
Term of study: 6 years (10 semesters and 1 year pre-graduation internship)
Form of education: full-time

Approved by the FC of MF
Approved by the AC

List of elective subjects

List 1	
1.	Assessment of the chemical factors in the environmental and working environment
2.	Verbal and non-verbal doctor-patient communication
3.	Stress and mental health

List 2	
1.	Chemical aspects of natural healing remedies and procedures
2.	Maritime medicine
3.	Research Methodology
4.	Reproductive health

List 3	
1.	Medical Statistics
2.	Biochemical therapy with Dr. Schüssler's salts
3.	Digital health and telemedicine
4.	Diagnostic methods and therapeutic management of patients with hearing reduction

List 4	
1.	Clinical anatomy
2.	Immunocytochemistry and immunohistochemistry
3.	Endothelial dysfunction, vascular oxidative stress and cardiometabolic risk

Facultative subjects

List 5	
1.	History of medicine
2.	Value system of the leader
3.	Foreign language (English, German, French or Russian)
4.	General Bulgarian Language

List 6	
1.	Information technologies in healthcare
2.	Psychology of addictions
3.	Aviation Medicine

Note.: Electives from List 1 and 2 are 45 hours long and carry 3 credits each. Disciplines from List 3 and 4 are 30 hours long and carry 2 credits each. **Compulsory choice for the entire study period: 10 credits.**

The **facultative subjects** on List 5 and 6 are studied in the third and fourth semesters and are 30 hours, 1 credit each. The total number of hours of 60 h is outside the maximum number of hours for acquiring the professional degree.

Physical education and sport is studied as a facultative discipline from the third to the tenth semester with a 30-hour schedule, 1 credit each. The total 240-hour schedule is outside the maximum schedule for acquiring the professional degree.

General Bulgarian Language is studied as a facultative discipline from the first to the third semester with a 90-hour schedule (30/60; lectures/seminars), 3 credits each. The total 270-hour schedule is outside the maximum schedule for acquiring the professional degree.
