# EBSCOhost

Take your research to the next level
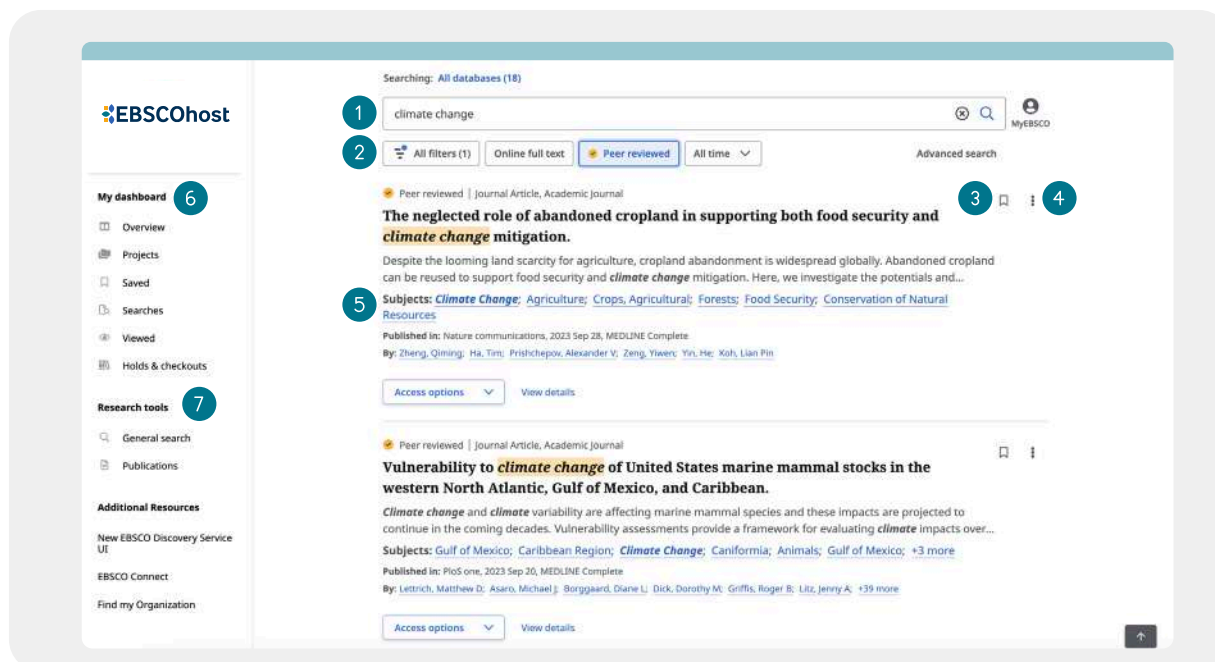

Explore the new EBSCOhost research experience

EBSCOhost at a glance

EBSCOhost is an online research platform that offers access to multidisciplinary research content. Researchers of all kinds can find scholarly journals, magazines, e-books and other resources quickly and conveniently using advanced and innovative features for searching, filtering and sharing results, exploring related topics and more.

1. **Search Bar:** Enter your term or topic to search all the library offers

2. **Quick Filters:** Refine a search without navigating away from results, this includes resources that have been peer-reviewed. Filters can be expanded to limit to type of resource, publisher, publication and more.

3. **Save Item:** Save articles to your dashboard

4. **Export:** Ability to export the article through a variety of methods

5. **Related Subjects:** Explore related subjects through hyperlinks

6. **My Dashboard:** Login to save articles, view search history, review checkouts and holds and organize resources by project

7. **Research Tools:** Access journal publications and additional sources

1. **Peer Reviewed Indicator:** Indicates a peer-reviewed article

2. **Article Export:** Save, cite, share or download article

3. **Publisher Information:** Denotes Journal Title, Date and Database (if applicable)

4. **Access Options:** Ability to view via PDF or other methods

5. **Download Option**

6. **Additional Information:** Includes title of article, authors, abstract, etc.
